Re: Reactor Coolant Pump Reimbursement
Docket No. 2017-305-E

Dear Ms. Boyd:

By this letter, the South Carolina Office of Regulatory Staff ("ORS") responds to the request made by South Carolina Electric & Gas Company ("SCE&G") in its letter dated December 27, 2017 and filed in the above-referenced docket. SCE&G requested approval of its acceptance of \$14,526,534 in reimbursement from Westinghouse Electric Company for a reactor coolant pump. ORS verified the \$14,526,534 valuation; however, SCE&G has yet to receive reimbursement. ORS respectfully requests that the Public Service Commission of South Carolina require SCE&G to file updates containing information about the amount and date when reimbursement is received, and other items from the abandoned construction on which reimbursement is sought.

Sincerely,

Shannon B. Hudson
